*Executive Councilor  
District One*

Report to the People of District One  
By Raymond S. Burton, Executive Councilor,  
State of New Hampshire

It is an honor to be starting my 27th and 28th year as one of your public servants here in District One.

The Executive Council is your effective point of contact at the top of your Executive Branch of state government. The Council acts much like a board of directors for the administration of public law and public budget as passed by the NH House and Senate. The Council also accepts grant money from federal programs for administration to community-based organizations.

As we look into the next two years, I urge citizens to become involved through their regional planning commissions in bringing forth concerns and ideas for transportation projects. It is my opinion that not many new projects will be done, due to lack of sufficient funds. We will be lucky to maintain what we have and build what is in the current ten-year transportation plan.

District Health Councils are in full gear whereby local health concerns can be articulated directly to the Commissioner of Health and Human Services. This is the largest agency in our state government.

With a new administration headed by Governor John Lynch there will be many board and commissions looking for volunteers. If you are interested in finding out what is available please visit the Secretary of State's website at [www.sos.nh.gov/redbook/index](http://www.sos.nh.gov/redbook/index) or call my office.

My office is always available to assist in questions for relief, assistance and information. Also available and free is the NH Constitution, state map and brochure on the Executive Council. Please contact me anytime. It is a pleasure to serve you and your region.
